Dear Brothers and Sisters,

“Those who were ready went with him into the wedding banquet” - Mathew 25, 10

“The Saints Vincent de Paul and Mother Theresa participated in the Holy Mass every day and went to the street and saved many of the strayed people as those saints felt God Lives in these people”. There are so many destitute homes for men in the region of Trivandrum Arch Diocese. One of them is the **“Ozanam Karunya Bhavan” (OKB)** at Azhakulam Village in Trivandrum district. This is run by the St. Vincent de Paul Society, the Trivandrum Central Council. We wish to share the sad experiences that occurred on several occasions at the gate of this home. The helpless mothers and sisters came with a bundle of clothes and asked for shelter to sleep peacefully. Since this home is meant for men, we with a heavy heart usually deny the room. We felt sad when they fell into tears and returned with innocent and helpless eyes. In the Golden Jubilee year, we took a decision to start a similar home for women. We shared this pathetic issue with the Honorable Arch Bishop of Trivandrum His Grace Dr. Thomas J Netto. The Honorable Bishop allotted 50 cents of land to us in the village of Vettuthura in Trivandrum district. We are so happy and we drew the building plan and prepared the project to build a Home called **“Ozanam Sneha Bhavan”**. Let us consider these helpless mothers and sisters are not to stray in the street and they shall live happily in a peaceful home with food, clothes, proper sanitation, and medical support. We pray for your support once you join hands with us to build a home for them and consider them as your own mother and sister. Then let us keep the Lord’s words **“Truly I tell you, just as you did it to one of the least of these who are members of my family you did it to me” Mathew 25, 40.**

The foundation stone of Ozanam Sneha Bhavan the Jubilee Memorial Home Blessed by honorable Arch Bishop His Grace Dr. Thomas J Netto on the Jubilee Anniversary Day in the presence of National Council President Bro S. Jude Z R Mangalraj. The Honorable Arch Bishop Blessed the project for its good intentions and wished all success. We the Vincentians and the coming inmates to the proposed Home will remember you and your family in our Prayers once we receive the support and complete this project.
